

where they're going...what they're doing

## oh, baby!

Alison Sweeney (DAYS, Sami) and her pals celebrated at a baby shower last month.

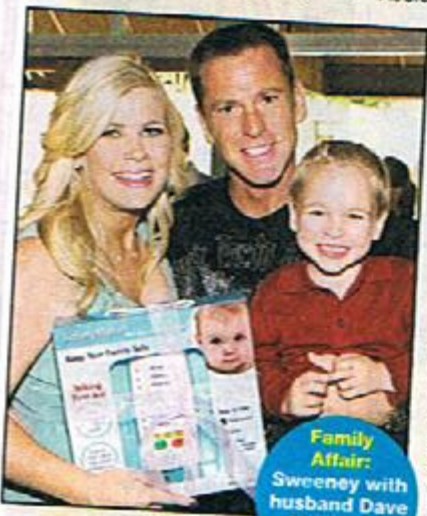

Sweeney reports, "The shower was put together by the Hot Moms Club [Baby-Plus and Huggies sponsored the event] and it was really fun; they did an amazing job. It was in honor of St. Jude Children's

Jude walked away with a lot and I was thrilled." Even some stars who couldn't attend, like Molly Simms, Nancy O'Dell and Trista Sutter, made sure to send gifts for St. Jude.

Sweeney shares, "It was at a place in Hollywood called The Treehouse [Social Club], which is a great place where kids can play while their moms relax and have good food. We had an awesome turnout; all my friends and some co-stars from DAYS came: Lauren Koslow [Kate] and Kristian

[Alfonso, Hope], McKenzie Westmore [Dr. Sinclair, AMC; ex-Sheridan, PASSIONS] who is a longtime friend, and then my behind-the-scenes friends, people I work with at BIGGEST LOSER, and the makeup and hair departments from both shows and all their kids came, as well as my family. Ben had tons of friends to play with. The highlight

was to be able to have worlds combining, with my friends from BIGGEST LOSER and my friends from DAYS together. It was so much fun."
